Dear Friend:

Recently, we at the FARKLE Fund, were able to meet recipients of our fund; a family who experienced a death, a birth, and a medical emergency all within a short timeframe. Their plate was full and in that moment of being overwhelmed, the social workers at Nebraska Medicine were able to ease their burden by using our fund. Our financial support filled this family with gratitude, dispersing their despair.

Life, death, and medical mishaps; these things happen and happen unexpectedly, usually with a high financial burden. Thanks to your support, we’re able to help. We’re able to lighten the load and leave others with a grateful heart.

The FARKLE Fund works in partnership with Nebraska Medicine’s Patient Assistance Fund. Together, we provide assistance to families of pediatric patients with cancer, born prematurely, or are in need of an organ transplant. With your help, we can continue to support this mission and fill more hearts with gratitude.

Please join us for our annual golf tournament or by donating directly:
